

FACILITY TOURS WRIGHT-PATTERSON AFB, OHIO

On Thursday morning, November 3, 2016, following the SAFE Symposium, the 711th Human Performance Wing, the Air Force Life Cycle Management Center Human System Division (HSD), and the Naval Medical Research Unit - Dayton (NAMRU-D) will be hosting tours of select Wright-Patterson AFB facilities.

While the exact list of facilities to be visited have not yet been finalized, they will include several of the following:

- Altitude Chambers & Centrifuge
- Anthropometry Lab
- Operational Based Vision Assessment (OBVA) Lab
- Biodynamics Impact/Acceleration and Vibration Facilities
- HSD Life Sciences Lab
- School of Aerospace Medicine Aeromedical Evacuation Training High Bay
- NAMRU-D Disorientation Research Device

Bus transportation will be provided and is scheduled to leave the Dayton Convention Center at 8:00 am and return to the Convention Center no later than 1:00 pm.

REGISTRATION IS LIMITED to the first 80 people who respond. Individuals must send an email to Casey Pirnstill at casey.pirnstill@us.af.mil with the subject line "**SAFE Symposium Tours**" and include the following information:

- Full name (as it appears on your driver's license)
- State in which your driver's license is issued
- Driver's license number
- U.S. residency status
- Are you a holder of a U.S. Common Access Card (CAC)? (Yes/No)
- Email address

This information must be emailed **NO LATER THAN** close of business eastern time zone on October, 21, 2016. Upon receipt of all the requested information, the individual will be notified as to whether he or she has been confirmed on the tours.
